

Membership Plan

What is the Dental Membership Plan? Ultimately, it is a program for those patients, who have no dental insurance coverage, to receive quality dental services, at reduced prices, without the hassles of traditional dental insurance. Unlike dental insurance plans, with our program there are no deductibles, no yearly maximums, and no waiting periods to begin treatment. Main Dental's number one concern is making sure you have the best possible oral health and appearance, which is a critical factor in your overall health and well-being. We care about our patients and that is why we are making it more affordable, while continuing to provide high quality and efficient care. Eligibility begins immediately upon plan registration and payment.
